Frequently asked questions

▶ **Does the annual X2 membership fee include financial protection? What is the coverage?**

X2 members are financially protected up to 25,000 USD per transaction between network participants and \$100,000 collectively across the course of the year.

▶ **What is the membership limit per region?**

X2 limits the amount of members per market to ensure every member gets their equal share of cargo within the network. This is determined by the size of the market and the trade within that specific country.

▶ **X2 offers PR and marketing services, what can we expect from X2?**

X2 offers multiple forms of support within PR and Marketing not only through our internal Members News, Bulletins & Social media platforms but also in various media outlets. This allows you to reach more inter-network members and also new external clients for your business.

▶ **There are multiple vertical networks within X2, if I join 1 network does this give me access to all of X2 Logistics Networks?**

X2 is made up of 6 categories Elite, Projects, Cold Chain, Critical, Asia Global & Movers. Each network is completely separate with a different group of members and their own respective membership fee.

▶ **How do you qualify “Trusted and professional global freight forwarding partners” within X2?**

Each prospective member company is required to submit strong commercial references to satisfy the requirements of the management of X2.

It is imperative for you to prove your expertise in your local markets and ensure that you have a positive reputation with other agents and carriers as well as that your company has professional leadership with integrity in order to be enrolled.

▶ **Is X2 built up of sea freight specialists or air freight specialists?**

X2 is built up of a number of great companies who all have their own identities within their specific markets. All members can undertake both modes of transport but their strong point will come down to their geographical & market location.

▶ **Are your members’ details made public and can non-members gain access to X2 member’s details?**

The members area is only accessible for members, however if you do have any questions about specific members in certain markets the X2 team will be happy to advise on the current market status.

▶ **May a company list multiple locations with X2 Logistics Networks?**

X2 does accept multiple offices from prospective members this does come at a surcharge per additional office and fall down to availability within that specific market.

▶ **Is it mandatory to attend the annual conference?**

It isn't mandatory to attend the X2 annual conference however meeting with the members will only garner better long term results by meeting face to face. Failure to attend more than 3 consecutive conferences will leave your renewal under scrutiny from the X2 management.

X2 Cargo Protect

Reduce your financial
RISK EXPOSURE

What is X2 Cargo Protect?

X2 Cargo Protect is an all-risk insurance (Institute Cargo Clauses A including war and strike clauses) designed to cover any kind of cargo shipped. It covers standard commodities against accidents and mishandling as well as other unfortunate incident.

X2 Cargo Protect is designed to fit your individual needs and cargo. Thanks to our very specialised knowledge we may offer specific cover for pharma products, logistics, drinks or food, perishable, and many other types of commodities.

Why choose X2 Cargo Protect?

X2 Cargo Protect is offered at highly favorable rates backed by top rated insurance companies. Our coverage is calculated to provide coverage equivalent to full value + freight + 10% (for additional expenses).

We offer best in class claims services through our global network of specialised yet centralised centres. We target a maximum of 30 days claim resolution (providing that documents are available to process your claim).

Besides those advantages, X2 Cargo Protect is your best protection against financial loss, never-ending claims discussions and legal disputes.

All Risk Coverage

Such coverage provides extensive protection against damage or loss due to external factors. At the difference of a more limited coverage, it will for example, protect the shipper against:

Pilferage

Heavy weather

Leakage

Breakage

Although the above perils are covered under some “All Risks” policies, there are exclusions under all risk coverage which may apply, in particular:

Improper packing

Rejection of goods by customs

Inherent vice

One Monocle

Networking, event management, and team building has formed the foundation of One Monocle and those activities continue to be the focus of our business.

Client Happiness is Our Top Priority

One Monocle is the home of X2 Group’s event planners and managers. The One Monocle team has planned, organised, and managed well over 200 events over the course of their careers. Our team can handle equally well both small single day events or large events with international guests and exhibitors that are held over multiple days. Our team strives to make each event unique unto itself. It’s our belief that there really isn’t a “one size fits all” method of event planning and management. That’s why all One Monocle managed events that, although will carry your branding, will be infused with One Monocle’s flair for the unique and memorable.

Event Management

Team Building

Advisory Services

Our personally tailored events are capable of covering a broad spectrum of feelings and moods, even during a single event. We have organised events that are serious, business focused, and strictly professional. However we have also organised events that have involved booze cruises, dinners on a beach, and after-event dance parties with samba dancers and lasers. We can certainly match the needs of almost any group event. On a smaller scale we are adept at planning and hosting single day team building events for small to medium companies as well as corporates. If you have an event and are seeking support to make your vision a reality, send us a message.
